What is telehealth?

We've partnered with Teladoc Health to make it even easier to get the care you need. Telehealth lets you talk with board-certified doctors by phone or video anytime, anywhere.

Reasons to use telehealth:

- It's like a doctor in your pocket
- Available after hours
- Coverage for many different conditions
- No more waiting rooms

Getting started with virtual doctor visits

You're eligible for telehealth services if you're a current Blue Cross and Blue Shield Service Benefit Plan member, 18 or older. You can also register dependents under 18 on your account.

Once you've registered, you can connect with a doctor three ways:

Online at
fepblue.org/telehealth
or via the **fepblue** app.

By phone at
1-855-636-1579
(TTY: 855-636-1578).

Appointments are available seven days a week from 7 a.m. to 9 p.m. local time.

Mental Health

Speak to a licensed mental health specialist through video from wherever you are most comfortable.

Appointments are available seven days a week from 7 a.m. to 9 p.m. local time.
