This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations and exclusions of this brochure. It is your responsibility to be informed about your benefits. You, and your family members, do not have a right to benefits that were available before January 1, 2022 unless those benefits are also shown in this brochure.

If you are enrolled in this plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated eligible family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits.

OPM negotiates benefits and rates with each carrier annually. Rates are shown at the end of this brochure.

BCBS FEP Vision is responsible for the selection of in-network providers in your area. Contact us at 1-888-550-2583 or TTY: 1-800-523-2847 for the names of participating providers or to request a provider directory. You may also request or view the most current directory via our website at www.bcbsfepvision.com. Continued participation of any specific provider cannot be guaranteed. Thus, you should choose your plan based on the benefits provided and not on a specific provider's participation. When you phone for an appointment, please remember to verify that the provider is currently in-network. If your provider is not currently participating in the provider network, you can nominate him or her to join. Nomination forms are available on our web site, or call us and we will take your nomination over the phone. You cannot change plans, outside of Open Season, because of changes to the provider network.

Provider networks may be more extensive in some areas than others. Please be aware that the BCBS FEP Vision network is different from the network of your health plan.

This BCBS FEP Vision plan and all other FEDVIP plans are not a part of the Federal Employees Health Benefits (FEHB) Program.

We want you to know that protecting the confidentiality of your individually identifiable health information is of the utmost importance to us. Section 1 Eligibility

**Federal Employees**
If you are a Federal or U.S. Postal Service employee, you are eligible to enroll in FEDVIP, if you are eligible for the Federal Employees Health Benefits (FEHB) Program or the Health Insurance Marketplace (Exchange) and your position is not excluded by law or regulation. Enrollment in the FEHB Program or the Health Insurance Marketplace (Exchange) is not required.

**Federal Annuitants**
You are eligible to enroll if you:

- retired on an immediate annuity under the Civil Service Retirement System (CSRS), the Federal Employees Retirement System (FERS), or another retirement system for employees of the Federal Government;
- retired for disability under CSRS, FERS, or another retirement system for employees of the Federal Government.

Your FEDVIP enrollment will continue into retirement, if you retire on an immediate annuity or for disability under CSRS, FERS or another retirement system for employees of the Government, regardless of the length of time you had FEDVIP coverage as an employee. There is no requirement to have coverage for 5 years of service prior to retirement in order to continue coverage into retirement, as there is with the FEHB Program.

Your FEDVIP coverage will end if you retire on a Minimum Retirement Age (MRA) + 10 retirement and postpone receipt of your annuity. You may enroll in FEDVIP again when you begin to receive your annuity.

**Survivor Annuitants**
If you are a survivor of a deceased Federal/U.S. Postal Service employee or annuitant and you are receiving an annuity, you may enroll or continue the existing enrollment.

**Compensationers**
A compensationer is someone receiving monthly compensation from the Department of Labor’s Office of Workers’ Compensation Programs (OWCP) due to an on-the-job injury/illness who is determined by the Secretary of Labor to be unable to return to duty. You are eligible to enroll in FEDVIP or continue FEDVIP enrollment into compensation status.

**TRICARE-eligible individual**
An individual who is eligible for FEDVIP dental coverage based on the individual's eligibility to previously be covered under the TRICARE Retiree Dental Program or an individual eligible for FEDVIP vision coverage based on the individual's enrollment in a specified TRICARE health plan.

Retired members of the uniformed services and National Guard/Reserve components, including “gray-area” retirees under age 60 and their families are eligible for FEDVIP dental coverage. These individuals, if enrolled in a TRICARE health plan, are also eligible for FEDVIP vision coverage. In addition, uniformed services active duty family members who are enrolled in a TRICARE health plan are eligible for FEDVIP vision coverage.

**Family Members**
Except with respect to TRICARE-eligible individuals, family members include your spouse and unmarried dependent children under age 22. This includes legally adopted children and recognized natural children who meet certain dependency requirements. This also includes stepchildren and foster children who live with you in a regular parent-child relationship. Under certain circumstances, you may also continue coverage for a disabled child 22 years of age or older who is incapable of self-support. FEDVIP rules and FEHB rules for family member eligibility are NOT the same.

For more information on family member eligibility visit the website at [www.opm.gov/healthcare-insurance/dental-vision](http://www.opm.gov/healthcare-insurance/dental-vision) or contact your employing agency or retirement system.
With respect to TRICARE-eligible individuals, family members include your spouse, unremarried widow, unremarried widower, unmarried child, an unremarried former spouse who meets the U.S. Department of Defense's 20-20-20 or 20-20-15 eligibility requirements, and certain unmarried persons placed in your legal custody by a court. Children include legally adopted children, stepchildren, and pre-adoptive children. Children and dependent unmarried persons must be under age 21 if they are not a student, under age 23 if they are a full-time student, or incapable of self-support because of a mental or physical incapacity.

**Not Eligible**

The following persons are not eligible to enroll in FEDVIP, regardless of FEHB eligibility or receipt of an annuity or portion of an annuity:

- Deferred annuitants
- Former spouses of employees or annuitants.

**Note:** Former spouses of TRICARE-eligible individuals may enroll in a FEDVIP vision plan.

- FEHB Temporary Continuation of Coverage (TCC) enrollees
- Anyone receiving an insurable interest annuity who is not also an eligible family member
- Active duty uniformed service members.

**Note:** If you are an active duty uniformed service member, your dental and vision coverage will be provided by TRICARE. Your family members will still be eligible to enroll in the TRICARE Dental Plan (TDP).
Section 2 Enrollment

Enroll Through BENEFEDS

You must use BENEFEDS to enroll or change enrollment in a FEDVIP plan. BENEFEDS is a secure enrollment website (www.BENEFEDS.com) sponsored by OPM. If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to enroll or change your enrollment.

If you are currently enrolled in a FEDVIP vision plan and want to switch to BCBS FEP Vision, you must change enrollment through BENEFEDS. If you do not want to change plans or options, your enrollment will continue automatically. Please note: your plans' premiums may change for 2022.

Note: You cannot enroll or change enrollment in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDS.

Enrollment Types

**Self Only:** A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family; however, your family members will not be covered under FEDVIP.

**Self Plus One:** A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members, but the additional family members will not be covered under FEDVIP.

**Self and Family:** A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

Dual Enrollment

If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; e.g., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.

Opportunities to Enroll or Change Enrollment

**Open Season**

If you are an eligible employee, annuitant, or TRICARE-eligible individual, you may enroll in a dental and/or vision plan during the November 8, through midnight EST December 13, 2021, Open Season. Coverage is effective January 1, 2022.

During future annual Open Seasons, you may enroll in a plan, or change or cancel your dental and/ or vision coverage. The effective date of these Open Season enrollments and changes will be set by OPM. **If you want to continue your current enrollment, do nothing. Your enrollment carries over from year to year, unless you change it.**

**New hire/Newly eligible**

You may enroll within 60 days after you become eligible as:

- a new employee;
- a previously ineligible employee who transferred to a covered position;
- a survivor annuitant if not already covered under FEDVIP; or
- an employee returning to service following a break in service of at least 31 days.
- a TRICARE-eligible individual

Your enrollment will be effective the first day of the pay period following the one in which BENEFEDS receives and confirms your enrollment.
**Qualifying Life Event**

Opportunities to Enroll or Change Enrollment
The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan’s service area
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Generally, enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either a dental or a vision plan, you cannot change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

Canceling an Enrollment
You may cancel your enrollment only during the annual Open Season. An eligible family member’s coverage also ends upon the effective date of the cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date.

When Coverage Stops
Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when you:

- no longer meet the definition of an eligible employee, annuitant, or TRICARE-eligible individual;
- as a Retired Reservist you begin active duty;
- as sponsor or primary enrollee leaves active duty
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments;
• cancel the enrollment during Open Season

Coverage for a family member ends when:
• you as the enrollee lose coverage; or
• the family member no longer meets the definition of an eligible family member.

**Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans:**

• Temporary Continuation of Coverage (TCC);
• spouse equity coverage; or
• right to convert to an individual policy (conversion policy).

**FSAFEDS/High Deductible Health Plans and FEDVIP**

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA), you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

If you have an HCFSA or LEX HCFSA FSAFEDS account and you haven’t exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over up to $550 of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31. You must also actively re-enroll in a health care or limited expense account during the NEXT Open Season to be carryover eligible. Your re-enrollment must be for at least the minimum of $100. If you do not re-enroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time period permitted. This is known as the “Use-It-Or-Lose-It” rule. Carefully consider the amount you will elect.

For a health care or limited expense account, each participant must contribute a minimum of $100 to a maximum of $2,750.

Current FSAFEDS participants must re-enroll to participate next year. See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058. **Note: FSAFEDS is not open to retired employees, or to TRICARE eligible individuals.**

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you can use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB and FEDVIP plans. You will be required to submit your claim to the FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA).

Using your FSA pre-tax dollars for your eyecare and eyewear needs is a great way to get more out of your benefit dollar. And BCBS FEP Vision will submit your eligible FSAFEDS out-of-pocket expenses electronically, so you don’t have to. Using your FSAFEDS account for your eyecare and eyewear expenses is simple:

• Visit your provider for your vision care exam and eyewear
• Pay any out-of-pocket expenses
• Blue Cross Blue Shield FEP Vision will submit your HCFSA eligible expenses for reimbursement for you. If you make additional purchases or receive additional services outside of your benefits, please submit those expenses directly to FSAFEDS.
Section 3 How You Obtain Care

Identification Cards/Enrollment Confirmation
Two ID cards are issued for each member, regardless of coverage option. If additional cards are needed, you may request them through our website, www.bcbsfepvision.com, or call us at 1-888-550-2583 or TTY: 1-800-523-2847. All eligible dependents listed on your enrollment share your identification number. You do not need an ID card for each member of your family. You can print a temporary ID card online, view it in our mobile app or contact customer service to verify your eligibility in the plan.

Plan Providers
We list in-network plan providers in the provider directory, which is updated frequently. The most current list can be found on our website at www.bcbsfepvision.com. It is your responsibility to ensure that the provider chosen is an active participant in the program, at the time you receive services. The BCBS FEP Vision network is specific to routine vision care and is different from the network for your medical plan.

In some cases, due to local regulations or business practices, the doctor may be independent of the retail location. You should confirm that both the doctor and the retail location are participating prior to seeking services.

In-Network
We negotiate rates with vision care providers to help save you money. BCBS FEP Vision in-network providers are referred to as participating providers and are contracted through Davis Vision. When scheduling an appointment, you should identify yourself as a member of the FEDVIP BCBS FEP Vision plan. The provider is then responsible for verifying eligibility by contacting BCBS FEP Vision either by telephone or via the web. If you use a participating provider to obtain covered care, benefits are paid at the in-network level. You are responsible for covered charges up to our negotiated plan allowances.

BCBS FEP Vision also offers several in-network e-commerce options such as: 1800contacts.com, befitting.com, glasses.com, visionworks.com and Warby Parker. Check website for additional options.

Under Standard Option, you must stay in-network for covered services. If you receive care from a non-participating provider, we will not pay for any services unless you reside in a limited access area. Please see Section 4, Your Cost For Covered Services.

Out-of-Network
Under High Option, you may obtain care from any licensed eye care provider. If the provider you use is not part of our network, benefits will be considered out-of-network. Because these providers are out of the BCBS FEP Vision network, we will reimburse you up to the maximum reimbursement amount allowed by the plan (see fee schedule allowances as described in Section 4, Your Cost For Covered Services). You are responsible to pay the out-of-network provider and then submit a claim to receive your reimbursement (see Section 8, Claims Filing and Disputed Claims Processes, for information).

Under Standard Option, you must stay in-network for covered services. If you receive care from a non-participating provider, we will not pay for any services unless you reside in a limited access area. Please see Section 4, Your Cost For Covered Services.

Pre-Authorization
Pre-authorization is only required for:

- Medically necessary contact lenses in the treatment of certain eye health conditions and is obtained by the participating provider.
- The treatment of low vision and is obtained by the participating provider.
When you visit a provider who participates with both your FEHB plan and your FEDVIP plan, and the FEHB plan provides routine vision care and services, the FEHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance. We are responsible for facilitating the process with the primary FEHB payor.

Coordination of Benefits
We do not coordinate benefits with non-FEHB health plans.

Limited Access Areas
If you live in an area that does not have adequate access to an BCBS FEP Vision network provider and you receive covered services from an out-of-network provider, we will pay up to 100% of our Plan Allowance. You are responsible for any difference between the amount billed and our payment. To determine if you are in a limited access area call us at 1-888-550-2583 or TTY: 1-800-523-2847.

Members who reside in areas not meeting access standards* can visit an out-of-network provider, pay billed charges and then be reimbursed based on the Plan Allowance.

*NOTE: Access Standards
Urban and suburban zip codes: at least 90% of FEDVIP eligibles in a network access area (zip code plus 15 driving-miles) must have access to a vision care preferred provider.
Rural zip codes: at least 80% of FEDVIP eligibles in a network access area (zip code plus 35 driving-miles) must have access to a vision care preferred provider.

Plan Allowance: The maximum benefit payment for services provided in areas not meeting the access standards are shown in the chart below. You are responsible for charges billed over the amounts shown.

Section 4 Your Cost for Covered Services

This is what you pay out-of-pocket for covered care:

**Copayment**
A co-payment is a fixed amount of money you pay to the provider when you receive services.

Example: The BCBS FEP Vision High Option and Standard Option plans, have a $0 copay for a vision care exam. However, Standard Option has a $10 copay for lenses. This copay does not apply to the High Option. Please refer to Section 5 for further details.

**In-Network Services**
When you visit a BCBS FEP Vision network doctor, your vision care exam is covered in full and prescription glasses or contacts are covered after any co-payments. You will also receive 20% off any out-of-pocket costs over your frame allowance and a savings of 15% on any balance over your conventional contact allowance. To receive covered benefits, you must stay in-network if you are enrolled in Standard Option.

**Out-of-Network Services**
If you are enrolled in Standard Option, you must stay in-network for covered services. If you receive care from a non-participating provider, we will not pay for any services unless you reside in a limited access area.

If you are enrolled in High Option, you’ll get more out of your coverage and pay lower out-of-pocket costs when you see a BCBS FEP Vision network doctor. Plus, there are no claim forms to submit when you see an in-network doctor. When you visit an out-of-network provider, you will be reimbursed according to the schedule shown in the chart below. You will be responsible for charges billed over the amounts shown.

| Services/Material: Vision Care Exam | We Pay: Up to $30 |
| Services/Material: Single Vision Lenses | We Pay: Up to $25 |
| Services/Material: Bifocal Lenses | We Pay: Up to $35 |

Please see Section 3, How You Obtain Care, for more information.
**Section 5 Vision Services and Supplies**

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

**Protect Yourself From Fraud** – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, plan, BENEFEDS or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOBs) statements, which are available online at www.bcbsfepvision.com.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
  - Call the provider and ask for an explanation. There may be an error.
  - If the provider does not resolve the matter, call us at 1-888-550-BLUE (2583) or TTY: 1-800-523-2847 and explain the situation.
- **Federal Civilians** - Do not maintain as a family member on your policy:
  - your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
  - your child over age 22 (unless they are disabled and incapable of self-support).
- **TRICARE Eligibles** - Do not maintain as a family member on your policy:
  - Your child over age 21 if they are not enrolled in school (unless they are disabled or incapable of self-support)
  - Your child over age 23 if they are enrolled in school (unless they are disabled or incapable of self-support)

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure, prior to submitting your enrollment or obtaining benefits.

**Fraud or intentional misrepresentation of material fact is prohibited under the plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.**
