

GLOBAL CARE ON DEMAND

Access quality care anywhere

For members living overseas, the Teladoc Health® Global Care app makes it easier than ever to get the care you need whenever—and wherever—you need it.

Why choose telehealth?

It's like visiting the doctor without leaving your home.

Avoid long wait times in the ER.

Available 24/7, 365.

Teladoc Health Global Care allows you to connect with experienced doctors by phone, tablet or computer anytime, anywhere.

There are two ways to connect with an English-speaking doctor in your time zone using the app.

Request a consultation by phone.

80% of callbacks are less than two hours from when the request was made.

Request a consultation by video.

Appointments are available three hours from when the request was made.

What conditions can be addressed?

Teladoc Health Global Care is a great way to get care for minor injuries, illnesses and non-emergency health issues, including*:

Cold and flu symptoms

Sore throat

Stomach ache

Allergies

Doctors can also solve health-related questions and provide health information.

Who is eligible?

Service Benefit Plan members living overseas who have an international address. Members with a U.S.-based address are **not** eligible.

How to start:

- 1 Download the Teladoc Health Global Care app
- 2 Fill in the registration info along with your member ID number
- 3 Remember to validate your email address in your inbox
- 4 Request to speak with a doctor
