

2023 Service Benefit Plan High-Cost Drug List

We require prior approval for certain high-cost drugs obtained outside of a pharmacy setting. The Blue Cross and Blue Shield Service Benefit Plan maintains a list of high-cost prescription drugs. Coverage of and out-of-pocket costs for drugs on this list may be different under Standard Option, Basic Option, and FEP Blue Focus. The high-cost drug list is updated quarterly and is subject to change without notice.
